"DEVICE FOR CONVERTING THE MAIN
SUPPLY VOLTAGE INTO A LOWER
VOLTAGE"

I, Jo Swanson, hereby certify that this correspondence is being
deposited with the US Postal Service as first class mail in an
envelope addressed to Assistant Commissioner for Patents,
Washington, D.C. 20231, on the date of my signature.

AMENDMENT

Assistant Commissioner for Patents
Washington, DC 20231

Sir:

This communication is in response to the Office action mailed April 26, 2002. Please
amend the application as follows:

IN THE CLAIMS:

1. (Thrice Amended) Device for transforming the main supply voltage into a lower
voltage, comprising a first male connector that can be selectively plugged into a main supply
socket, a second male connector that can be selectively plugged into a consumer, and an
electronic circuit for transforming the voltage which is located between the two connectors,
and wherein

the electronic circuit forms with the second connector (2) one rigid physical unit whereby the
connection between the electronic circuit and second connector (2) is as short as possible and
has a low electric resistance.
